4pm (Make an appointment.)

Ways and Means

Excitement mounts for the Cary Woman's Club Spring Fashion Show on April 27th from 10:30 am – 2 pm at the MacGregor Downs Country Club. You will enjoy a lovely plated brunch, mimosas, raffles, live music and special door prizes along with a few surprises! We are now a SOLD-OUT event! Thanks to all our valuable members, and especially to the Ways and Means committee, for making this happen!

We are still collecting baskets and items for the baskets. Baskets need a listing of donated items and retail prices. Please bring what you have to the April 11 meeting and give it to Diane Andersen. If anyone donated anything \$100 or above, please give Mercedes their name/business name so they can be listed as a sponsor on the program.

We anticipate the community support we receive will enable us to make a generous donation to our selected charity "Play it Forward" Scholarship Fund, which helps underserved populations.

The success of our annual fundraiser belongs to you, our members and our club commitment of serving others to the best of our ability. Members prove it time and time again with loving hearts, hard work and smiling faces!

Thanks so much for all the wonderful work!

Education

The Education CSP has selected their scholarship winners for 2019. The winners will be announced at our meeting.

Home Life

The guest speaker for the April 11 meeting will be from ***A Doorway to Hope***. They offer one-time crisis assistance for families, with a focus on food security for children. They have applied for a grant from CWC, so we are looking forward to hearing more about their organization.

In other news, Home Life has contributed four baskets for the Fashion Show and \$100 to ***Note in the Pocket***. Thank you, Home Life!

Submitted by Jane Suppa and Nell Meese

Conservation

Lois will be participating in a Conservation CSP tree planting enroute to the State Convention in April. It will take place at a Bladen County park that was damaged by Hurricane Florence. This will help toward the State President's goal of planting 1000 trees in 2018-20 GFWC-NC Administration.

Board of Trustees

Lois will be hosting a special guest at our April 11 meeting, Liz (Elizabeth) Cantino, Vice- President for Business Banking from First Citizens Bank on Kildare Farm Rd. She wants to learn more about the Cary Woman's Club since we will be submitting a grant proposal to First Citizen's in August, so this is our opportunity to show off a little! We hope each CSP chair can take a few minutes during our business meeting to talk about their projects this year. Please be sure to greet Liz during our social time.

Submitted by Lois Nixon

Hospitality

Lunch after the meeting will be at **Academy Street Bistro** 200 S. Academy Street, Cary.

Announcements

Polka Dot Mama, our local Melanoma Foundation, is attempting to set a mark recognized by the Guinness Book of World Records for the "largest skin cancer screening." The record to beat is 780, so they need your help. Skin screenings are FREE, regardless if you have insurance or no insurance. If you've got skin and are at least 18 years old, you can help them win! It's May 18 at Duke Health Center at Southpoint 6301 Herndon Rd, Durham. Sign up on their website for an appointment polkadotmama.org (click on EVENTS). This will fit into the State President's focus on Women's Health for the 2018-20 administration.
