Health and Wellness (Home Life)

OUR OPPORTUNITY

The Cary Woman's Club has the opportunity to help Oxford House, a network of houses for people in recovery.

THE NEED

The house we will help has big needs! We want to collect good used or new linens of all types, such as bedding, towels and washcloths, kitchen towels, and curtains. If possible, please label the sheet sizes. The residents also need cleaning supplies.

THE PLAN

We will collect items by leaving them at the home of Jane Suppa, located at 202 Muir Place, Cary 27519 the week of August 17-21.

Please give Jane a call at (919) 632-0091 beforehand. If she does not answer, you may leave her a message and place the items on her porch.

THE REWARD

Your cleaning of closets and the attic during Covid-19 is finally going to pay off and be very much appreciated!

Thank you,

Jane Suppa and Nell Meece

Tidbits

The new editor of ***Tidbits*** beginning in September will be Merc Cooley. Thank you so much Merc for taking on this task!

Information for the Tidbits should be sent to her by September 1. Thank you.

CSP's

The CSP chairs recently met with Arlene Gleason (via ZOOM) to brainstorm ways we can continue our charitable work virtually. You can see how Health and Wellness has already responded. We

hope that most of you will be able to contribute to their efforts to support Oxford House. All the CSP's have been renamed as follows:

- Arts and Culture (formally Arts)
- Environment (formally Conservation)
- Education and Libraries (formally Education)
- Health and Wellness (formally Home Life)
- Civic Engagement and Outreach (formally Public Issues)

Milestones for Members

Congratulations again to **Merc Cooley** who became a grandmother during COVID. Morgan and Tommy Cooley had a 7lbs and 13 oz boy, Bence, on April 20. Tommy and Morgan live in California, so Merc must be satisfied with virtual visits for now.

Remember back in March, **Elzbieta Hibbs'** daughter was married in a small ceremony during the beginning of COVID. Well it happened again! Son Alex and bride Caroline were married June 27 in a friend's backyard. Receptions for both of her children will be at a later date.

Deborah Lynch is making a big change and moving to Maine to be closer to family. We will miss her so much. During the last six years, she has been a very active member of our club. She was the one who got our club involved with Note in the Pocket, among other causes. Deborah wanted me to share with you how much the Club has meant to her and how much she will miss the friends she made here. She wishes each one of you good health and peace in your heart. Rather than saying goodbye, she says she will "catch you on the flipside"!

Respectfully submitted,
