Pollinator Garden:

July will be a month of maintenance, weeding and watering. We will be working every Friday morning beginning at 8:30 before the heat sets in. We usually work for an hour and then we treat ourselves to Esteamed Coffee for a snack and socializing. This is a great opportunity to get some exercise, have some laughs and learn about our garden. It's not only an important garden for our bee friends it is a great source of pride in our community.

Please call or text (919-760-0640) Brenda if you are able to attend. This will help us plan our list of duties and also to keep in touch about weather issues.

Lemur Adoption Update:

For our new CWC members, Thistle is our tiniest member at the Duke Lemur Center. She participates in noninvasive Alzheimer Research. Although Thistle is no longer in the breeding program, she is busy socializing with the other mouse lemurs. She is also keeping busy making nests. Her keeper provides her with materials such as bamboo, paper towels and little paper "Dixie" cups.

From Membership – Marci Thomas

Welcome to our new member, Susan Smith! Susan joined in May and is interested in working with Conservation, Education and Public Issues.
