

Dear Susan and all of you wonderful ladies at the Cary Woman's Club,

I'm sure these are very deserving, and obviously loved, programs to receive so many votes (*for the Cary Gifting Tree Project*). The children your pocket ornaments are clothing with dignity feel equally, if not more so, loved, joyful, confident, and excited for the future. Thank you for LOVING these children! ❤️

MERRY CHRISTMAS 🌲

Note in the Pocket

THANK YOU for the partnership with the Cary Woman's Club! We are extremely grateful for our continued partnership with the club and it's amazing members. A special thank you to you for making this year's tree such a success!

As you know, at Note in the Pocket, we believe it is immensely important that children are prepared mentally and physically to be successful in school and that includes having well-fitting clothing and shoes. Your contribution will make an immediate impact as we expand program capacity to clothe more children than ever before.

Because of your support we can meet the growing need across our community, and work towards our bold goal to clothe 7,500 in 2022. Thank you for providing comfort and confidence to these children and helping us get them dressed for success.

We are grateful for your support this year and hope you have a wonderful holiday season.

Thank you-
Sarah
